Kokola

COMPANY PROFILE

Over 40 years ago, Kokola Biscuits were first crafted from the hands of the best bakers in Indonesia. Now, Kokola is the proud manufacturer of biscuits and wafers produced only with the best selected ingredients, sophisticated state of the art technology, and the latest food safety assurance. With "SHARING HAPPYLICIOUS" as our core principle, we hope to fill the world with happiness and deliciousness of our products.

COMMITMENT & ASSURANCE

Our commitment is to **SHARE HAPPYLICIOUS**, which means giving the best service to our partners, making sure every process are done by professionals with strong dedication to food safety through the implementation of the latest technology. This can be seen from our production system and procedures which are fully standardized by **Good Manufacturing Process (GMP)** for facility and machinery. We are in compliance with **ISO 22000, BRC Version 8 (Global Food Safety), SNI 2973 : 2011** from Indonesian Government, **Halal** from **MUI (Indonesian Cleric Assembly)**, and **BPOM (Food and Drug Regulatory Agency of Indonesia)**.

SHARING HAPPYLICIOUS

Kokola Biscuits is full of various flavors, shapes, and textures in all our products. It is our pride that we are able to share and complement the many characteristics of the world. We "**Share Happylicious**" through delicious products guaranteed by our exceptional food safety assurance, to make sure that every bite brings joy and happiness for everyone.

BUSINESS POTENTIAL

In order to achieve our Visions and Missions, we welcome various cooperation opportunities from our partners in Indonesia and around the world to be "**SHARING HAPPYLICIOUS**" together.

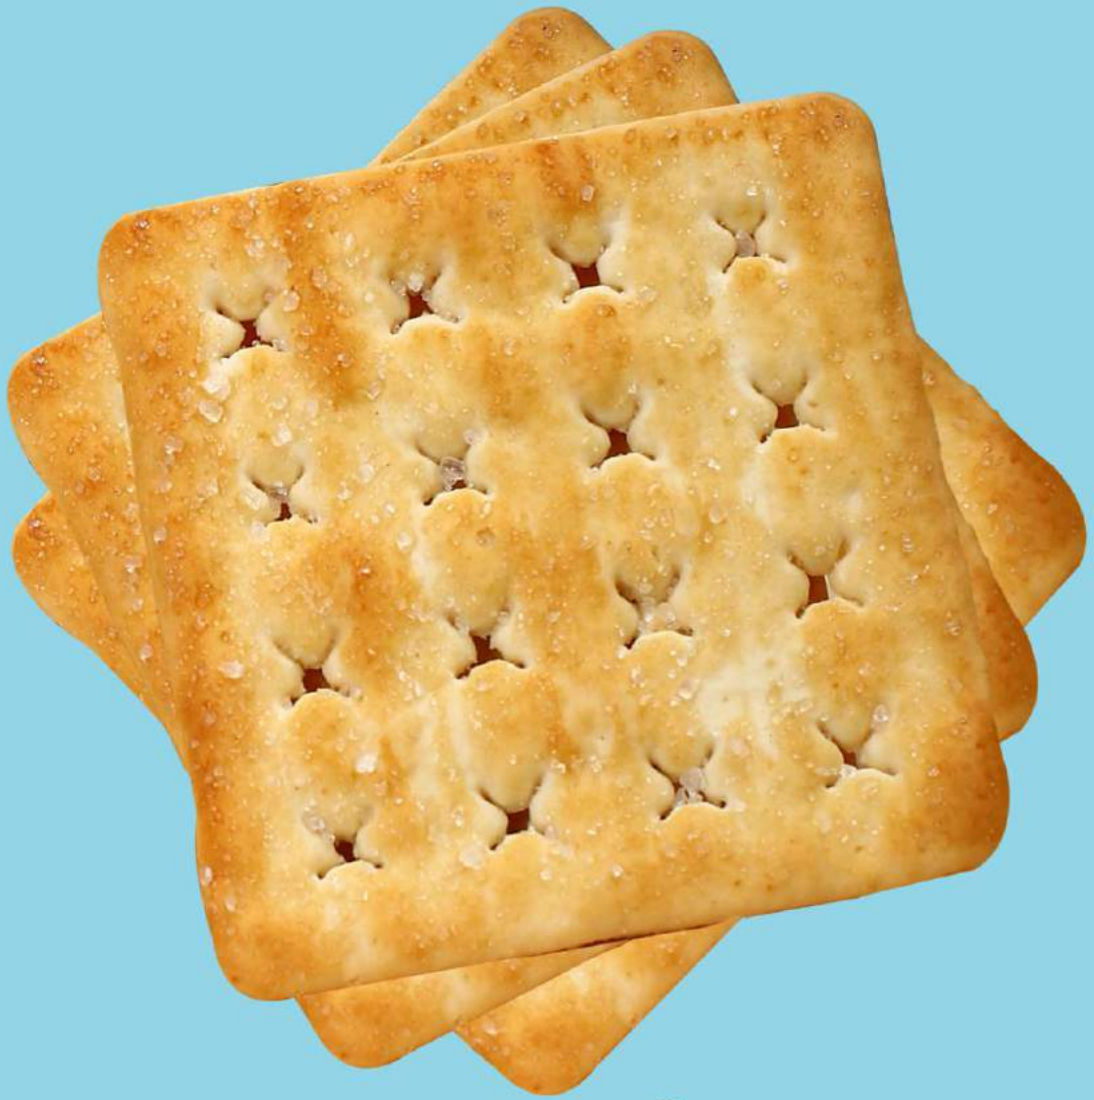

VISION & MISSION

Kokola Biscuits is committed to "**Share Happylicious**" to all consumers in Indonesia and the world, through tasty and innovative products, comprehensive research and development, excellent food safety management, and aggressive distribution network.
