Quality is our focus

CV. Anugerah Global Abadi started in 2002 as a humble garment company targeting the massive amount of needs for baby clothing. Combining expertise from our founders spanning for nearly fifty years in this field. We have been a major supplier for established mother and baby hospitals as well

CV. AGA as we are affectionally known to our staffs and employees, specializes in babies and kids garments. Our strength lies mainly in quality fabric selection to provide maximum comfort.

Integrity, quality and honesty are core values in our organizational culture, they brought us until today and we believe by practising these values everyday are the key to many, many more years for the company.

Yours sincerely,
Mr. Reynaldi Hirawan
