

COMPANY PROFILE

CV. SAI

SIDO AL-GHANIY INDONESIA

About Us:

CV. SIDO AL-GHANIY INDONESIA (CV. SAI) is a business in the trade of handmade handicrafts from natural fibers, especially home accessories and decoration products. Use sustainable and quality natural fiber raw materials that available in the territory of Indonesia, and processed (wicker and woven) to be good handicrafts. We ship it worldwide (ships or planes).

CV. SIDO AL-GHANIY INDONESIA main activities held in the Central Java region. It closes to the local artisan/craftsmen, raw material resources, access to big ports or airports. We involve many local craftsmen who have years of experience in producing many crafts, especially home accessories and decorations. We have our own production chains to provide on time production process and shipment. To ensure our product performance, we assign our QC persons to do piece-by-piece quality check even the items are thousands.

Vision:

To become a leading and growing company in the world.

We are committed with the craftsmen to produce quality products and always innovate the latest products that are worthy of being accepted by the global market.

To improve the economy of the Indonesian people, especially the craftsmen in the Central Java region.

To become one of the leading exporters of handicraft products that contribute to the industrial and trade sectors in Indonesia

Mission:
