VISION & MISSION

OUR VISION :

Being a furniture manufacturer in Indonesia that produces nationally and internationally with guaranteed quality, innovative, showing good characters and professional service in ordering up to delivering.

OUR MISSION

1. To provide a good quality of wood according to the customer's standard requirement
2. To perform working process according to procedures and rules
3. To complete orders on time
4. Producing a standardized quality furniture
5. To establishing good relationship with buyers to generate long-term benefits
6. Manage and develop professional Human Resources

~ Quality and customer satisfaction is our principle so don't worry because " We care about you! " ~

BACKGROUND

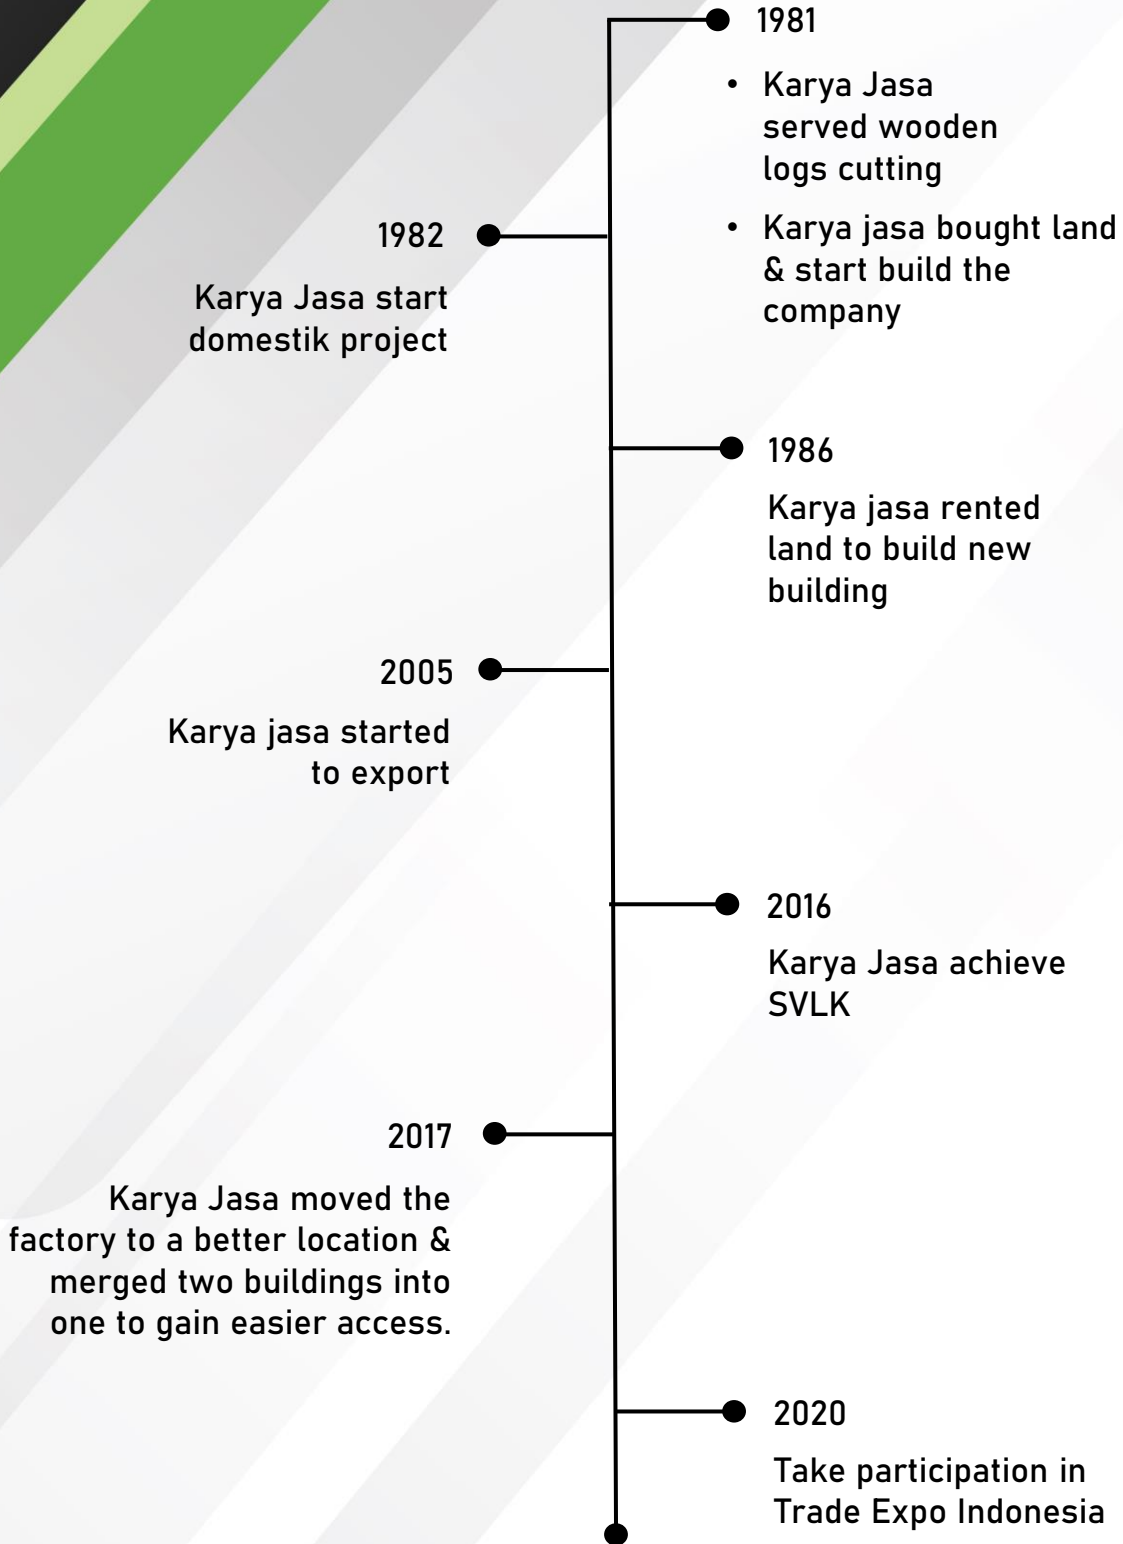

In 1981 Karya Jasa was established by Mr. Halim Iskandar in Klaten a town at Central Java, Indonesia, because the furniture trend is being prestigious around The World.

As a furniture manufacturer we committed to producing many kind of all wood furniture (Teak, Mahogany, Sungkai, Pine, Mindy, Ebony, Suar, etc.) with very good materials and legal from Perhutani. Also we produce with high skill and spirits so they would be high quality and exclusive products.

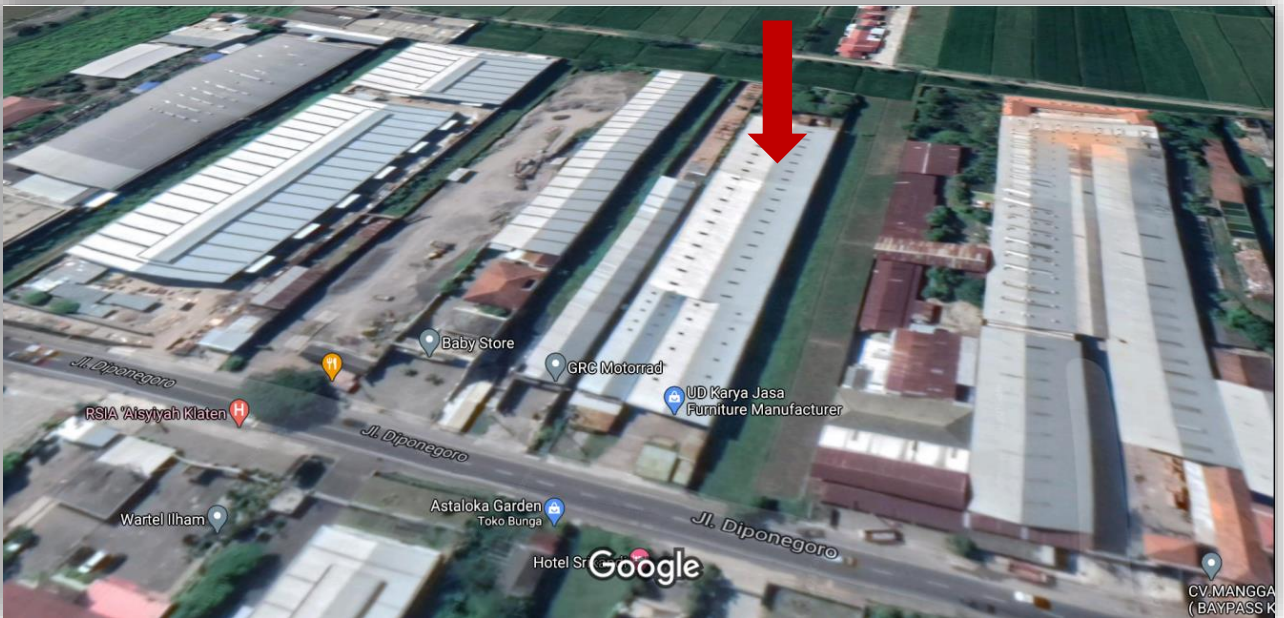

We also can add our furniture with other materials like rattan, synthetic rattan, glass, rails, marble, alumunium, bamboo, plywood, MDF, fabric, stainless steel, etc.
