VISION

Making Indonesian natural fiber & teakwood based home décor & crafts are increasingly accepted & recognized by the international community.

MISSION

1. Supplying a variety of innovative & unique products for the community, both those that function and the functions of art.
2. Open employment and improve the economic level of workers involved in our business.
3. Participate in preserving our earth, also the culture & arts of the Indonesian people.

Our products:

1. Woven natural fiber home décor & small furniture: basket, rug, storage, decorative items & small furniture
2. Wooden rustic, hand painted and carved handicraft & small furniture
3. Hand woven woman bags

WHY US ?

-- OUR UNIQUENESS IS BY NATURE

Cultural wealth and natural resources in Indonesia which are spread throughout the archipelago, make each of our works unique, ethnic, beautiful, natural, traditional but still strong, durable & functional, according to daily needs.

-- PRESERVING INDONESIA'S CULTURAL HERITAGE IN CRAFTING

The diversity of natural resources, cultural uniqueness, hand skills & techniques are used as artistic and cultural heritage of hereditary ancestors.

-- TAKE A PART TO PRESERVE THE EARTH & INCREASING LIVING STANDARD OF WORKERS.

Our products are done manually by hand by mothers and rural residents, with weaving skills that have been there for generations, so they have a high artistic value.

-- BEST PRODUCTS, BEST PRICES

All products are done directly by our craftsman team, guaranteeing you get high quality products at the best prices.

-- PROFESSIONAL TEAM WORK

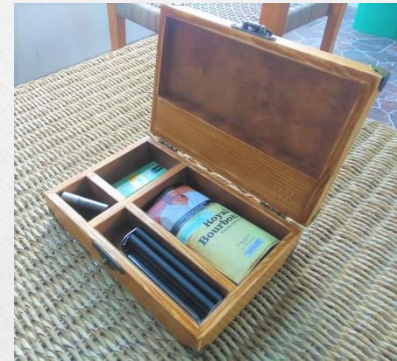

Supported by a team of craftsmen, operation & shipping vendors who are very professional in their fields, each of which is at least 10 years old.

-- COMPETITIVE OPERATIONAL & SHIPPING COSTS

We offer you one stop integrated supply chain management so that you can help emphasize your cost calculation strategy.
